Subject: Student Identification Sheet

To the university it may concern,

As the General Directorate of Credit and Hostels affiliated with the Ministry of Youth and Sports, we provide scholarship (non-refundable) to successful and needy students and credit (refundable) to the rest during the expected duration of their education period at higher education institutions in order to support Turkish students financially studying associate, undergraduate, master or doctorate degree abroad and facilitate their social and cultural development. Hence, in order to support the students by providing credits and scholarships information below is needed. It is convenient to bestow this document on the student to be sent to our General Directorate after the accuracy of the information provided by the student is approved.

Thanks in advance for your help.
